Your Shares:

Price per share in CHF:

*incl. proportional co-owner -
1% fee per share*

5. Usage Information

The calculation of annual days of use multiplied by the number of acquired Vehicle Shares.

1 share = 30 days

Number of shares x 30

=

Days right of use,
per year

6. Payment Details

There is no down payment. The vehicle is managed by Supercar Sharing AG or its partner. The shares in the vehicle are issued to the buyer (co-owner) with this signed contract and serve as proof of ownership acquired shares.

Share amount =

7. Resale & Holding Period

In order to limit the depreciation of the vehicle, but also to keep resale on the market as attractive as possible, we regulate the time of sale in this contract with the buyer in a binding manner. The holding period is unlimited but limited to the mileage defined below. If the vehicle is successfully sold, we undertake to pay the value-adjusted share amount to the co-owner within 7 days and to update and delete the co-owner register with the transactions made.

**Resale at
mileage =**

8. Invoice | terms of payment

After signing, the share amount is payable within 7 days to the account details below. The entry of the name in the vehicle register takes place after confirmation of receipt. This offer has not signed, a validity of 7 days. After the deadline, all reservation claims and resulting conditions.
